

Topline questionnaire

Pew Research Center
Spring 2019 Global Attitudes Survey
October 21, 2019 Release

Methodological notes:

- Survey results are based on national samples. For further details on sample designs, see Methodology section and our [international survey methods database](#).
- Due to rounding, percentages may not total 100%. The topline “total” columns show 100%, because they are based on unrounded numbers.
- Since 2007, Pew Research Center has used an automated process to generate toplines for its Global Attitudes surveys. As a result, numbers may differ slightly from those published prior to 2007.
- Throughout this report, trends from India in 2013 refer to a survey conducted between December 7, 2013, and January 12, 2014 (Winter 2013-2014).
- For some countries, trends for certain years are omitted due to differences in sample design or population coverage. Omitted trends often reflect less representative samples than more recent surveys in the same countries. Trends that are omitted include:
 - Ukraine prior to 2014
 - India prior to Winter 2013-2014
 - Brazil prior to 2010
 - Nigeria prior to 2010
 - South Africa in 2007
 - Indonesia prior to 2005
 - Poland in March 2003
 - Russia in March 2003 and Fall 2002
- Not all questions included in the Spring 2019 Global Attitudes Survey are presented in this topline. Omitted questions have either been previously released or will be released in future reports.

		Q8d. Please tell me if you have a very favorable, somewhat favorable, somewhat unfavorable, or very unfavorable opinion of _____ d. The European Union
